Dear Emory Alumni, Family and Friends:

Join us for the opportunity to explore the lands and legacies forged by centuries of Baltic history. Hear and learn firsthand from historic world leader, Nobel Peace Prize Laureate and former President of Poland Lech Wałęsa and from Interpreter and Advisor for former Soviet Union President Mikhail Gorbachev, Pavel Palazhchenko.

This unique Baltic Sea voyage features six countries and seven UNESCO World Heritage sites. Our program is scheduled during the best time of year to experience the natural phenomenon of the luminous “White Nights.”

Experience the cultural rebirth of the Baltic States and the imperial past of St. Petersburg, Russia, while cruising aboard the exclusively chartered, Five-Star Le Dumont-d’Urville, launched in 2019 and featuring only 92 ocean-view Suites and Staterooms. In the tradition of ancient Viking mariners and medieval merchants, set forth from Denmark’s sophisticated capital city of Copenhagen to the cosmopolitan Swedish capital of Stockholm. Spend two days docked in the heart of regal St. Petersburg, featuring visits to the world-acclaimed State Hermitage Museum, the Peter and Paul Fortress and the spectacular tsarist palaces in Pushkin and Peterhof. Immerse yourself in the legacy of the Solidarity movement in Gdańsk, Poland; tour the well-preserved medieval Old Town of Tallinn, Estonia; see the storied architecture of Helsinki, Finland; and explore the former Hanseatic League town of Visby on Sweden’s Gotland Island.

On the Wonders of Norway Pre-Program Option, visit the vibrant city of Bergen, cruise through stunning fjordlands and enjoy one of the world’s most scenic train rides. Experience the Splendors of Stockholm during the Post-Program Option.

This exclusive travel program features a comprehensive itinerary, Five-Star accommodations, a specially arranged shore excursion in each port and world-class lectures. Book now, as capacity is limited and this popular program sells out quickly!

Sincerely,

Frances Stanfield

Meet the leader of the Solidarity movement, former President of Poland and Nobel Peace Prize Laureate Lech Wałęsa, on board the ship this evening, where he will present his perspective on Solidarity, globalization and progress in the region.

St. Petersburg, Russia
Saturday, July 4
Founded in 1703 as his “Window on the West,” St. Petersburg is Peter the Great’s remarkable vision.

Cover photo: Spanning 14 small islands, where shimmering Lake Mälaren meets one of the largest archipelagos in the Baltic Sea, Stockholm preserves its splendid medieval and Renaissance architecture.

Photo this page: Peter the Great himself partially engineered the resplendent plexus of waterfalls, fountains and statues that adorn the foreground of the opulent Peterhof Palace.
the iconic Church of the Savior on Spilled Blood (Church of the Resurrection of Christ), built on Emperor Alexander II’s assassination site.

Enjoy specially arranged entry and a guided tour of the State Hermitage Museum. One of the world’s greatest art repositories, this UNESCO World Heritage-designated museum was founded by Catherine the Great in 1764. Its prestigious collections are rivaled only by the museum’s lavish interior.

**St. Petersburg**

Visit the elaborate Baroque Catherine Palace in the imperial town of Pushkin. This UNESCO World Heritage site, highlighted by the jewel-encrusted Amber Room, is said to be the “Eighth Wonder of the World.”

Savor a lunch of local Russian specialties and vodka while enjoying a traditional Cossack music performance.

Enjoy a panoramic tour of St. Petersburg’s UNESCO World Heritage-inscribed historic center, where landmarks are scattered across over 40 islands and linked by more than 300 bridges. See the 19th-century St. Isaac’s Cathedral, whose striking golden dome crowns the city’s skyline. Visit the Peter and Paul Fortress, constructed to secure the country’s access to the sea, and the Baroque Cathedral of Saints Peter and Paul, where 32 tsars—from Peter the Great to Nicholas II, the last of the Romanovs—are interred.

**Helsinki, Finland**
**Monday, July 6**
Helsinki merges the influence of Classicism and the Finnish National Romantic Movement with Functionalism, establishing design as a permanent and significant component of the city. Cruise past the 18th-century maritime Fortress of Suomenlinna, a UNESCO World Heritage site.

Enjoy a panoramic tour of the city’s boulevards, overflowing with magnificent architecture, including Europe’s greatest concentration of Art Nouveau buildings. See stately Senate Square, University of Helsinki, Helsinki Cathedral and the Parliament Building—paragons of neoclassical style—along with the Modernist Finlandia Hall. Discover idyllic Sibelius Park, an artistic homage to Finland’s most famed composer.

Visit the subterranean Temppeliaukio Church, or “Church of the Rock,” impressively hewn into solid natural bedrock in 1969.

Explore the lively Market Square with some time at leisure before reboarding the ship.

On board the ship this afternoon, meet Pavel Palazhchenko, world-renowned interpreter who serves as advisor and interpreter for former Soviet Union President Mikhail Gorbachev, and enjoy his first of two educational lectures.

The traditional fishing boats and colorful edifices along Copenhagen’s quay of Nyhavn retain the waterfront’s authentic 18th-century maritime character.
Visby, Gotland Island, Sweden
Tuesday, July 7
Before lunch, enjoy an insightful lecture from Mr. Palazhchenko on board the ship.
Call at the Baltic island of Gotland, rich with Swedish history and abundant Viking and medieval sites. The UNESCO World Heritage-designated Old Town of Visby, the former Baltic center of the Hanseatic League, is one of the best preserved medieval cities in Scandinavia. On the walking tour through the cobbled streets of this “city of roses and ruins,” see 13th-century walls and original medieval architecture, tour the Gotlands Historical Museum and view the striking interior of St. Mary’s Cathedral.
Attend the Captain’s Farewell Reception this evening.

By exclusive arrangement, Lech Wałęsa—former President of Poland (1990 to 1995), Polish hero and international icon in the pursuit of freedom and democracy—will meet with our group on board Le Dumont-d’Urville. From his position as a marine electrician in Gdańsk Shipyard, Mr. Wałęsa emerged as a world-renowned figure in the struggle against communism during the 1980 shipyard workers’ strike and the establishment of the Polish Solidarity labor movement. Even after winning the right to form an independent union, Mr. Wałęsa and Solidarity continued to confront the Soviet-backed regime of General Wojciech Jaruzelski, which jailed Mr. Wałęsa and imposed martial law in Poland in December 1981. Mr. Wałęsa was awarded the Nobel Peace Prize in 1983, a watershed moment widely considered to have been the first crack in the Soviet Union’s Iron Curtain, which crumbled with the Berlin Wall in 1989. That same year, Mr. Wałęsa became the first foreign non-head of government to address a joint meeting of the U.S. Congress.

Distinguished World Leader and Nobel Peace Prize Laureate

Principal English interpreter for former Soviet Union President Mikhail Gorbachev and former Soviet Foreign Minister Eduard Shevardnadze, Pavel Palazhchenko remains one of the world’s leading interpreters. Mr. Palazhchenko participated in all U.S.-Soviet summit talks leading to the end of the Cold War and eventually became the head of the press office of the International Foundation for Socio-Economic and Political Studies (or The Gorbachev Foundation), where he has also functioned as an analyst, spokesperson, interpreter and translator. He is the author of a personal and political memoir, My Years with Gorbachev and Shevardnadze: The Memoir of a Soviet Interpreter. Graduating from the Maurice Thorez Moscow Institute of Foreign Languages (Moscow State Linguistic University) in 1972, he has published three Russian-English dictionaries providing information, insight and cultural observation on the linguistic twists and turns of the English and Russian languages.
